Art Unit: 1714

1. The amendment of 2/10/03 has been entered. Claims 1-10 are pending.
2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless -

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1-10 are rejected under 35 U.S.C. 102(b) as being anticipated by US Pat. No. 3639315 Rodriguez.

Rodriguez discloses the instantly claimed two component paint system. The system of the patentee contains the instantly claimed two components prior to reaction completion. It is expected that the instant reaction mixture begins to react immediately given the requirement of using the instantly claimed composition shortly after mixing. See the abstract and columns 1-6. The exemplified films are 3 mils. This system contains the instantly claimed components and therefore must necessarily and inherently possess the instantly claimed processing time. See column 5, lines 14-26.

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO**

Art Unit: 1714

MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
